

Memorandum of Understanding between
Taiwan Society for Industrial and Applied Mathematics (TWSIAM) and
The Japan Society for Industrial and Applied Mathematics (JSIAM)

As organizations with common goals of supporting the creation and dissemination of knowledge in industrial and applied mathematics, the Taiwan Society for Industrial and Applied Mathematics (TWSIAM, 台灣工業與應用數學會) and The Japan Society for Industrial and Applied Mathematics (JSIAM, 日本応用数理学会) agree to the following guidelines for mutually beneficial interaction.

1. (Speaker Invitation) Both societies invite a TWSIAM-JSIAM invited speaker at the annual meeting of TWSIAM and JSIAM to strengthen the relationship between the societies.
2. (Implementation) The JSIAM annual meeting will have at least one keynote speaker of the International Organized Session nominated by TWSIAM every four years starting from 2025. The TWSIAM annual meeting will have at least one keynote speaker of the International Organized Session nominated by JSIAM every four years beginning in 2027. In addition, invited speakers may be added upon mutual agreement of both societies each time.
3. (Nomination) The Invited Speakers Committee (ISC) for the host's annual meeting will approach the other society to nominate the speaker's name with his/her CV 6 months before the annual meeting for consideration.
4. (Financial Support) Accommodation and local expenses for the keynote speaker and invited speakers will be covered by the host society.
5. (Intellectual Property Rights) The two societies agree that, in the event of research collaboration leading to patent rights, copyrights, and other intellectual property rights, a further agreement must be negotiated in each case subject to the policies of the two societies on intellectual property.
6. (Terms of the agreement) This agreement expires five years after the date it is executed but can be renewed for the party in writing at any time upon 30 days' notice.
7. (Amendments) Any amendment to or modification of this agreement requires the written approval of both societies.

For JSIAM (日本応用数理学会)
